Assistant Commissioner of Patents  
Washington, D.C. 20231

PRELIMINARY AMENDMENT

Sir

Applicants respectfully request that the Examiner consider this preliminary amendment before the Examination of the continued application filed in the above-identified application on February 05, 2001. This preliminary amendment addresses the issues raised by the Examiner's Office Action mailed on November 3, 2000.

IN THE CLAIMS

Please amend claims 14, 17, 18, 21, 24, 27, 30-31, 33-34, and 36-37 as follows:

- 3D  
Sub  
Sci
14. (Twice Amended) A/suspension assembly comprising:  
a slider/head assembly having a connecting end;  
a suspension having a connecting end and electrically conducting paths; and  
an interconnect module coupling the connecting ends of the suspension and [coupled  
between said suspension and said] the slider/head assembly to route one or more data signals  
between said electrically conducting paths and said slider/head assembly, such that the
